### Confirmation teens on Retreat-

**Our St. Paul teens went to the confirmation retreat at St. Luke's in Woodburn. They were reminded that God has them in the right place at the right time—in relationship with him. They were also reminded about the importance of having faith in the holy Eucharist, that Jesus comes to us not symbolically, but really in his body and his blood. I didn't realize they liked to dance so much!!**

### [Announcement Weekend \(April 15-16\)](#)

Now more than ever, people need to know there's something more to life. They need to know there's good news for them. They need to know that "something more" for which they're yearning is more than a something; it's a Someone. Now more than ever, people need to know the life-changing love and hope of Jesus Christ.

**There's power in Hope.** It transforms tears into trust, loneliness and loss into comfort and joy, anxiety and fear into contentment and courage. Hope redefines our failures. It gives you the confidence to KNOW your life won't end in emptiness. **Jesus is Love's answer to our Hope.**

On this Feast of the Divine Mercy, I'm asking you to share your Hope. YOU have the power to help transform lives. One single generous moment can make all the difference. Please prayerfully consider making a sacrificial gift next weekend for the good of our friends, our neighbors, and our own families. Together, we can spread the life-giving message of the mercy of Jesus Christ to those who need it the most. This is your mission. This is my mission. This is our mission together, and now is our time.

I want you to know I'm very excited about the future of the Archdiocese – because our future is rooted in the Hope and Love of Jesus Christ – and Jesus Changes *Everything*.

I am grateful for you, In His love,  
Archbishop Sample

Last year we exceeded our goal for the Archbishop's Catholic Appeal and I am hopeful that we can do that again this year. Thank you for your generous gifts!

Fr. Scott Baier

### [Announcement Weekend \(April 15-16\)](#)

## SCHOOL SPOTLIGHT—5th/6th Grade

The 5th & 6th graders recently finished reading biographies about different saints: Sister Faustina, Saint Padre Pio, and Saint Teresa. They really loved making personal connections to these saints and teaching the younger kids about them. We are also doing an in depth study on the book of Genesis and the story of Creation. For writing, they are learning how to write argumentative essays by gathering research to support their claims. In science, they are fascinated by the role that genetics vs. environment play in human development. Their study on the colonies continues and they are learning about how the American government was first established. As the year winds down, they are looking forward to a field trip to Champoeg Cultural Center (since they missed out on this during Covid) and Outdoor School, in Newport, at the end of May!
