From the desk of Father Baier...

This Saturday was busy with a baptism and a trip to the gorge with 6 of our confirmation students. Our goal was to climb Angel's rest but with some difficulties encountered we changed our plans and visited several of the local waterfalls, including the Bridal Veil Sisters who showed us their rabbits and goats. Perhaps not the most prayerful of trips, it was nonetheless an adventure.

SCHOOL SPOTLIGHT—5th/6th Grade

The 5th & 6th graders recently finished reading biographies about different saints: Sister Faustina, Saint Padre Pio, and Saint Teresa. They really loved making personal connections to these saints and teaching the younger kids about them. We are also doing an in depth study on the book of Genesis and the story of Creation. For writing, they are learning how to write argumentative essays by gathering research to support their claims. In science, they are fascinated by the role that genetics vs. environment play in human development. Their study on the colonies continues and they are learning about how the American government was first established. As the year winds down, they are looking forward to a field trip to Champoeg Cultural Center (since they missed out on this during Covid) and Outdoor School, in Newport, at the end of May!
